

Liturgical Ministries

The liturgical celebrations of the parish focus on drawing people into awareness and appreciation of God's presence in our daily lives. To accomplish this, laity involvement is vital - both behind the scenes and "in front of the scenes." Most obviously, volunteers are needed to serve in the various ministries at Mass (greeter, usher, lector, altar server, choir member, cantor, and musicians). Also many things need to be done behind the scenes. The list of talent that can be used in the Liturgy has almost no end.
