

Pastoral Care

The parish provides aid in the areas of food, electricity, gas, water, rent or medical bills. If individuals require special items such as furniture, appliances, etc., the parish will attempt to obtain these items via special parish appeals.

Pastoral Council

The Pastoral Council meets on the fourth Thursday of each month. The Council fosters pastoral activity in the Parish. It assists the Pastor in establishing goals based on the needs and wants of the parish and monitors the progress of the parish in meeting those goals. The council acts as a vehicle of communication by which the people of the parish may obtain an understanding of the operations of the parish and have a voice in the policies, which the parish may undertake, both spiritual and temporal. Parishioners may submit an item for consideration to the appropriate committee chairperson.
